## CONTROL OPTIONS

Your choice of RF remote or Automation Control Kit.

## INSTALLATION TIPS

- Tip #1** Calculate the weight of the ceiling panel that will attach to the lift before installation so you know you are within the weight limit
- Tip #2** Bevel the rear edge of the ceiling panel at 45° to achieve a .32 cm reveal
- Tip #3** Use the adjustment screws to fine tune the ceiling panel so it is flush with the surrounding ceiling
