

# MODEL TF 3

FOR UP TO 20 KGS

Width: 430/530/630/730mm | Height: 525mm

We are introducing the Tono TF 3 Motorized Kitchen Pull-Down Storage Lift Mechanism – the ultimate solution for maximizing kitchen storage space with ease and style. Say goodbye to stretching, straining, and struggling to reach items stored in high cabinets. With Tono TF 3, accessibility meets innovation.

Designed with precision engineering, this motorized lift mechanism is not just about accessibility, it's about efficiency. It effortlessly brings the contents of upper cabinets to eye level with just the push of a button, eliminating the need for precarious balancing acts on steps tools or reaching to the back of shelves. Whether heavy pots, pans, or seldom-used appliances, the Tono TF 3 ensures everything you need is within arm's reach, making your kitchen tasks smoother and more efficient.

-  Silent
-  Reliable
-  Sleek
