

SOHO TV LIFT WITH CABINET

Max TV Size 77"

The Tono Soho TV lift cabinet combines style and practicality in one elegant package. Crafted from high-quality HPL Board, this cabinet seamlessly blends with your home decor while hiding your TV when not in use. The smooth lift mechanism allows your TV to appear and disappear at the touch of a button, creating a clutter-free living space.

Space-Saving Solution for Modern Homes

Perfect for smaller apartments or open-plan living areas, the Tono Soho TV lift cabinet maximizes your space usage. When the TV is hidden, you regain valuable room for other activities. This versatile piece of furniture adapts to your lifestyle, offering a clean and organized look that enhances your home's aesthetic.
